## NZSA StartWrite Service

### *Application Form for StartWrite Comic / Graphic novel sample Assessment 2016*

This popular programme operates throughout the year, offering 28 subsidised literary and comic / graphic assessments. StartWrite offers a written assessment of a comic / graphic chapter sample (up to 10 finished pages (up to A4 size) and a 1 – 2 page synopsis of the full work. This non-competitive programme is particularly useful for those seeking feedback at the early stage of their project and can assist with content, viability of concept, structure, character, and plot development, suggesting improvements and advice on the next step. StartWrite assessments are available at full price once all subsidised assessments have been utilised.
